

**Rochester St. Martin Boxing Club, Inc.: Annual Report & Fund Drive: Doing more with less...A gift for all the year!**  
**If you have given recently THANK YOU! If not, please consider helping us...**

We've completed our 52nd consecutive year ( actually covid half year) of volunteer service targeting high risk and economically stressed youth in our inner city and beyond in the spirit of our ST. MARTIN DEPORRES. We started back June 22 with the approval of the Monroe County Health Department . Most expenses are born by its volunteer coaches, officers, and community contributions. Space is provided by our relationship with the Montgomery Neighborhood Center on Cady Street. Coaches and officials are trained & certified by USA Boxing.. Web st. martin boxing club.com.

Here's what we will have accomplished since June 22:

-We have provided training four nights a week and transportation for many youth AT NO COST FOR TRAINING OR TRANSPORTATION since 6/22- We supplied boxers for the USA Boxing required Test Show held in Buffalo 7/17. We traveled to Syracuse for a show 10/2 at the Syracuse Athletic & ducationl Center.

- We ran the postponed 2021 New York State Silver Gloves July 24 & 25 at Montgomery Neighborhood Center. We ran the Region 1 Championships in Rochester on Lyell Avenue. We then transported two to Independence Missouri, for the National Silver Gloves.

- On 9/25 we traveled to an all star show in Bristol, Pennsylvania.

**We ran the 2022 New York State Silver Gloves November 27 at Montgomery. We've slate the Regionals at Utica January 8 & 9. The Nationals are the first week in February in Independence, Missouri. e.**

-We ran a large show at Montgomery October 23 featuring local clubs versus out of town clubs, including an outstanding team from Cleveland. This bout was sponsored by the KIWANIS CLUB OF ROCHESTER. This is at least the third show sponsored by Kiwanis. Earlier ones were Adam Street Recreation Center and Marshall High School. Give lots of credit to the leadership of Joe Simeone. It was also great to see the Kiwanis folks at Montgomery. The redone floor ring was used. It was costly, but allows for more shows at Montgomery and is less labor intensive.

Altold we will have participated in 11 events in this abbreviated half year.

We still need volunteer doctors for physicals and to serve at ringside.

## A FEW ADULT GRADUATES OF THE ST. MARTIN PROGRAM
